### (Pan D) Health care coverage: federal health care reforms.

**Current Text:** Chaptered: 10/9/2021 [html](#) [pdf](#)

**Chapter Number:** 764

**Status:** 10/9/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 764, Statutes of 2021.

**Summary:** (1)Existing federal law, the Patient Protection and Affordable Care Act (PPACA), enacts various health care market reforms. Among other things, PPACA requires applicable individuals to maintain minimum essential coverage, and imposes a shared responsibility penalty on an applicable individual who does not maintain minimum essential coverage. This provision is referred to as the individual mandate. PPACA prohibits a nongrandfathered health benefit plan from imposing a preexisting condition provision on an individual and requires a nongrandfathered health benefit plan to include coverage for essential health benefits, as defined. PPACA also includes a coverage guarantee that requires each health insurance issuer that offers health insurance coverage in the individual or group market in a state to accept every employer and individual in the state that applies for coverage, and prohibits discriminatory premium rates, as specified.This bill would delete the conditional operation of the above-described provisions based on the continued operation of PPACA, the federal individual mandate, the federal coverage guarantee, and federal essential health benefits coverage requirements. By indefinitely extending the operation of these provisions, and thus indefinitely extending the applicability of a crime for a willful violation by a health care service plan, the bill would impose a state-mandated local program.This bill contains other related provisions and other existing laws.

**Chapter Number:** 696

**Status:** 10/8/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 696, Statutes of 2021.

**Summary:** (1)Existing law establishes the Department of Child Support Services, which administers all federal and state laws and regulations relating to child support enforcement obligations. Existing law requires each county to maintain a local child support agency that is responsible for establishing, modifying, and enforcing child support obligations, including medical support, enforcing spousal support orders, and determining paternity, as specified. Existing law, commencing January 1, 2023, requires a local child support agency to cease enforcement of child support arrearages and otherwise past due amounts owed to the state that the Department of Child Support Services or the local child support agency has determined to be uncollectible, as specified.This bill would instead require a local child support agency to cease enforcement of child support arrearages assigned to the state and other fees and costs owed to the state when the department or local child support agency has determined that the amount is uncollectible.This bill contains other related provisions and other existing laws.

**SB 718****(Bates R) Health care coverage: small employer groups.****Current Text:** Chaptered: 10/8/2021 [html](#) [pdf](#)**Chapter Number:** 736**Status:** 10/8/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 736, Statutes of 2021.

**Summary:** (1) Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care and makes a willful violation of the act a crime. Existing law also provides for the regulation of health insurers by the Department of Insurance. Existing law provides for the regulation of individual, small employer, grandfathered small employer, and nongrandfathered small employer health care service plan contracts and health insurance policies, as defined. This bill, until January 1, 2026, would authorize an association of employers to offer a large group health care service plan contract or large group health insurance policy to small group employer members of the association consistent with ERISA if certain requirements are met, including that the association is the sponsor of a MEWA that has offered a large group health care service plan contract since January 1, 2012, in connection with an employee welfare benefit plan under ERISA, provides a specified level of coverage, and includes coverage for common law employees, and their dependents, who are employed by an association member in the biomedical industry with operations in California. The bill would also require the association to be an organization with business and organizational purposes unrelated to the provision of health care benefits and would require the participating employers to have a commonality of interests from being in the same industry, as specified. The bill would require the large group health care service plan contract or health insurance policy to be treated as a single-risk-rated contract or policy that would not condition premium rates or eligibility on health status, as prescribed. The bill would require the association and the MEWA to file applications for registration with the appropriate department on or before June 1, 2022, and would impose specified coverage restrictions on an association and MEWA that fail to register or comply with the annual filing requirements imposed by the bill. The bill would repeal these provisions on January 1, 2026. This bill contains other related provisions and other existing laws.

**2021-10-07****AB 511****(Muratsuchi D) Securities transactions: qualification requirements, exemptions, and liability.****Current Text:** Chaptered: 10/7/2021 [html](#) [pdf](#)**Chapter Number:** 617**Status:** 10/7/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 617, Statutes of 2021.

**Summary:** The Corporate Securities Law of 1968 requires securities offered or sold in this state in an issuer or nonissuer transaction to be qualified through an application, as specified, unless exempt from the qualification requirements. That law exempts, among other transactions, certain transactions not involving any public offering, as prescribed. That law also makes it unlawful, for a person in connection with the offer, sale, or purchase of a security, to engage in fraudulent or misleading acts or omissions. This bill would establish a new exemption from the qualification provisions for an offer or sale of any security for which the issuer is a California or foreign corporation that is not a "blind pool" company, as defined by the Commissioner of Financial Protection and Innovation, is not issuing fractional undivided interests in oil or gas rights or other similar mineral rights, is not an investment company subject to the federal Investment Company Act of 1940, and is not subject to certain reporting requirements of the Securities Exchange Act of 1934. The bill would require, among other criteria, that the offer or sale be conducted in accordance with certain requirements of federal law, except as provided, and that the issuer file a notice of transaction at least 15 days prior to the publication of an initial offer of these securities. Existing law requires information relevant to the incident of elder or dependent adult abuse to be given to specified investigators, including

investigators from an adult protective services agency, a local law enforcement agency, and the probate court. This bill would also authorize information relevant to the incident of elder or dependent adult abuse to be given to a federal law enforcement agency, under certain circumstances, for the sole purpose of investigating a financial crime committed against the elder or dependent adult and would authorize the information to be given to a local code enforcement agency for the sole purpose of investigating an unlicensed care facility where the health and safety of an elder or dependent adult resident is at risk. This bill would expand the above exemption to also apply to any credits to a member's capital issued to a shareholder or member by any corporation organized pursuant to that law, if the aggregate investment in the corporation of that shareholder or member in shares, memberships, or credits to that member's capital sold pursuant to that provision does not exceed \$1,000. **Summary:** (1) Existing law requires the sealer of a county to inspect and test weighing and measuring devices, as specified, that are used or sold in the county. Existing law also requires the sealer of a county to weigh or measure packages to determine whether they contain the amount represented, as provided. Existing law, until January 1, 2022, authorizes the board of supervisors of a county, by ordinance, to charge an annual registration fee, not to exceed the county's total cost of actually inspecting or testing weighing and measuring devices required of the county sealer, to recover the costs of the county sealer to perform these duties. **Chapter Number:** 540

**Status:** 10/5/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 540, Statutes of 2021.

**Summary:** Existing property tax law provides, pursuant to a requirement of the California Constitution, that the property tax base year value of real property that is substantially damaged or destroyed by a disaster, as declared by the Governor, may be transferred to a comparable property located within the same county that is acquired or newly constructed within 5 years after the disaster as a replacement property. This bill would extend the 5-year time period described above by 2 years if the last day to transfer the base year value of the substantially damaged or destroyed property was on or after March 4, 2020, but on or before the COVID-19 emergency termination date, as defined, or March 4, 2022, whichever occurs sooner. The bill would also extend the 5-year time period described above by 2 years if the property was substantially damaged or destroyed on or after March 4, 2020, but on or before the COVID-19 emergency termination date or March 4, 2022, whichever occurs sooner. **Summary:** Existing law requires a 3-part test, commonly known as the "ABC" test, to determine if workers are employees or independent contractors for purposes of the Labor Code, the Unemployment Insurance Code, and the wage orders of the Industrial Welfare Commission. Under the ABC test, a person providing labor or services for remuneration is considered an employee rather than an independent contractor unless the hiring entity demonstrates that the person is free from the control and direction of the hiring entity in connection with the performance of the work, the person performs work that is outside the usual course of the hiring entity's business, and the person is customarily engaged in an independently established trade, occupation, or business. **Current Text:** Chaptered: 9/30/2021 [html](#) [pdf](#)

**Chapter Number:** 423

**Status:** 9/30/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 423, Statutes of 2021.

**Summary:** Existing law creates the North Coast Railroad Authority with various powers and duties relating to rail service in the north coast area of the state, including the authority to acquire, own, operate, and lease real and personal property reasonably related to the operation and maintenance of railroads, the planned transfer of all of the authority's assets, and the authority's dissolution. Under existing law, the authority is governed by a board of directors composed of appointees from the Counties of Humboldt, Marin, Mendocino, and Sonoma, a city representative selected by the cities served by the authority's rail line, and a nonvoting, ex officio member of the Golden Gate Bridge, Highway and Transportation District. Existing law requires the authority to plan for the transfer of all of its assets and liabilities and for its dissolution. Under existing law, the state is not liable for any contracts, debts, or other obligations of the authority. This bill would rename the North Coast Railroad Authority the Great Redwood Trail Agency on March 1, 2022. The bill would remove the ex officio member of the Golden Gate Bridge, Highway and Transportation District from the board, and authorize the Governor to appoint a nonvoting director from the Transportation Agency and a nonvoting director from the Natural Resources Agency. The bill would delete the requirement that the agency plan for the transfer of all of its assets and liabilities and for its dissolution. The bill would, to the extent funding is available, require the agency to, among other things, (1) inventory any parcel, easement, or contract related to its rail rights-of-way, (2) complete an environmental assessment of the conditions of its rail rights-of-way for purposes of trail development, (3) plan, design, construct, operate, and maintain a trail in, or next to, the rail rights-of-way, and (4) complete a federal railbanking process for the rail rights-of-way. The bill would also give the agency certain enumerated rights and powers, including, among other things, the right and power to fix and collect fees, make grants, acquire interests in real property, enter into contracts and joint powers agreements, adopt ordinances, and adopt and enforce rules and regulations, as specified. The bill would expressly subject the agency to the Ralph M. Brown Act and California Public Records Act. This bill contains other related provisions and other existing laws.

**SB 267** **(Hertzberg D) Property taxation: active solar energy systems: partnership flip transactions.**

**Current Text:** Chaptered: 9/30/2021 [html](#) [pdf](#)

**Chapter Number:** 424

**Status:** 9/30/2021-Approved by the Governor. Chaptered by Secretary of State. Chapter 424, Statutes of 2021.

**Summary:** The California Constitution generally limits the maximum rate of ad valorem tax on real property to 1% of the full cash value of the property and defines "full cash value" for these purposes

as the appraised value of real property when purchased, newly constructed, or a change in ownership has occurred after the 1975 assessment. Pursuant to constitutional authorization, existing property tax law excludes from the definition of "newly constructed" for these purposes the construction or addition of any active solar energy system, as defined, through the 2023–24 fiscal year. Under existing property tax law, this exclusion remains in effect only until there is a subsequent change in ownership, but an active solar energy system that qualifies for the exclusion before January 1, 2025, will continue to receive the exclusion until there is a subsequent change in ownership. This bill would provide that for a legal entity that owns an active solar energy system pursuant to a partnership flip transaction, as defined, neither an initial transfer of a capital and profits interest in the legal entity, nor any subsequent change in the allocation of the capital and profits of the legal entity among the members, shall be deemed to constitute a transfer of control of, or of a majority interest in, the legal entity. The bill would provide that if the parties to a partnership flip transaction sell or exchange ownership of the partnership or limited liability company in a transaction or series of transactions, that are separate and apart from the partnership flip transaction conducted pursuant to the bill's provisions, in such a manner that a change in ownership of the partnership or limited liability company occurs, as specified, then the bill's provisions do not apply to that transaction or transactions. The bill would make related findings and declarations. By adding to the duties of county assessors in applying this exclusion, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

This bill would additionally authorize the auditor or the tax collector to cancel any penalty, costs, or other charges resulting from tax delinquency upon a finding that failure to make a timely payment is due to a documented hardship, as determined by the tax collector, arising from a shelter-in-place order, as defined, if the principal payment for the proper amount of tax due is paid no later than June 30 of the fiscal year in which the payment first became delinquent. **Summary:** (1)Existing law generally provides for the placement of foster youth in various placement settings, and governs the provision of child welfare services, which is defined to mean public social services that are directed toward the accomplishment of specified purposes, including protecting and promoting the welfare of all children, preventing the unnecessary separation of children from their families, and restoring to their families children who have been removed.This bill would, among other things, state the intent of the Legislature to exercise the option afforded to states in the federal FFPSA to receive federal financial participation for the above-described prevention services that are provided for a candidate for foster care, a pregnant or parenting foster youth, and their parents or kin caregivers, and the allowable costs for the proper and efficient administration of the program. The bill would authorize a county, or Indian tribe, consortium of tribes, or tribal organization that has entered into an agreement with the state regarding the care and custody of Indian children to elect to provide those prevention services, as prescribed. The bill would require the State Department of Social Services to have oversight of those prevention services and to seek all necessary federal approvals to obtain Title IV-E federal financial participation for those prevention services. The bill would require the department to develop an allocation methodology to distribute state funding for the prevention services program and would require counties to use the allocated funds and to document and report the services, as specified. The bill would authorize the State Department of Health Care Services to submit a Medicaid state plan amendment, waiver request, or both, to maximize federal financial participation under the Medi-Cal program for prevention services provided pursuant to these provisions, and would require the department to maintain oversight over the prevention services claimed under the Medi-Cal program.This bill contains other related provisions and other existing laws.

Chaptered by Secretary of State. Chapter 87, Statutes of 2021.

**Summary:** Existing law, the Control, Regulate and Tax Adult Use of Marijuana Act of 2016 (AUMA), an initiative measure approved as Proposition 64 at the November 8, 2016, statewide general election, authorizes a person who obtains a state license under AUMA to engage in commercial adult-use

cannabis activity pursuant to that license and applicable local ordinances. Existing law, the Medicinal and Adult-Use Cannabis Regulation and Safety Act (MAUCRSA), among other things, consolidates the licensure and regulation of commercial medicinal and adult-use cannabis activities. MAUCRSA generally divides responsibility for the state licensure and regulation of commercial cannabis activity among the Bureau of Cannabis Control in the Department of Consumer Affairs, the Department of Food and Agriculture, and the State Department of Public Health. AB 141 of the 2021–22 Regular Session (AB 141) would, among other things, establish the Department of Cannabis Control within the Business, Consumer Services, and Housing Agency, would transfer to this department the powers, duties, purposes, functions, responsibilities, and jurisdiction of the bureau, the Department of Food and Agriculture, and the State Department of Public Health under MAUCRSA, except as specified, and would make conforming changes. This bill would revise, as described below, certain provisions of MAUCRSA that would be amended or added by AB 141, and would become operative only if AB 141 is enacted before this bill. **Summary:** The Budget Act of 2021 made appropriations for the support of state government for the 2021–22 fiscal year. This bill would amend the Budget Act of 2021 by amending, adding, and repealing items of appropriation and making other changes. This bill contains other related provisions.

**Governor's Message:** Gavin Newsom July 12, 2021 Governor State of California Governor's Office I object to the following appropriations contained in Senate Bill 129. SEC. 19.55-I delete this section. I am deleting this section because the budget control section authorizing the acceleration of up to an additional \$500,000,000 General Fund to support wildfire prevention and forest resilience activities was already enacted in AB 161, Statutes of 2021, which I signed on July 9, 2021. Therefore, to maintain the state's ability to accelerate funding for wildfire prevention activities authorized in AB 161, as well as the appropriation of \$258,000,000 for similar activities, I delete this section on a technical basis. As California enters a second consecutive year of dry fuel conditions, resulting in drought or near-drought throughout many portions of the state, it is critical that the pace and scale of fire prevention projects that protect California's most wildfire-vulnerable communities is accelerated. With the above deletions, revisions, and reductions, I hereby approve Senate Bill 129. Gavin Newsom

**Summary:** Existing law authorizes an individual to contribute amounts in excess of personal income tax liability for the support of specified funds. Under existing law, there are general administrative provisions applicable to these voluntary contributions, which, among other things, provide for the disbursement of contributions following the repeal of the fund provisions and require undesignated funds to be transferred to the General Fund. This bill would allow an individual to designate on their tax return that a specified amount in excess of the taxpayer's personal income tax liability be transferred to the Mental Health Crisis Prevention Voluntary Tax Contribution Fund, which would be created by this bill. The bill would conform with those aforementioned administrative requirements by continuously appropriating those funds to the Franchise Tax Board, the Controller, and the Department of the California Highway Patrol for administrative costs and to the Department of the California Highway Patrol for disbursement to the National Alliance on Mental Illness California to fund the Crisis Intervention Team program that trains peace officers to assist, and engage safely with, persons living with mental illness. The bill would require the Department of the California Highway Patrol to post specified information provided by the National Alliance on Mental Illness about those funds on its internet website. **Chapter Number:** 66

**Status:** 7/9/2021-Approved by the Governor. Chaptered by Secretary of State - Chapter 66, Statutes of 2021.

**Summary:** (1) Existing law generally requires the transferee of a California real property interest, in specified circumstances, to withhold for income tax purposes 31/3% of the sales price of the property when the property is acquired from either an individual, or a partnership or corporation without a permanent place of business, as specified. Under existing law, a transferee is not required to withhold any amount under these provisions if the transferee, in good faith and based upon the information of which the transferee has knowledge, certifies under penalty of perjury that the California real property being conveyed is either (A) the seller's or decedent's principal residence, as specified, or (B) is being exchanged, or will be exchanged, for property of like kind, but only to the extent of the amount of the gain not required to be recognized for California income or franchise tax purposes, as specified. In the case of a real property sale not subject to withholding by reason of a like kind exchange under these provisions, existing law requires the transferee to notify the Franchise Tax Board in writing within 10 days of the expiration of the statutory periods specified in federal law and thereafter remit the applicable withholding amounts determined as provided. This bill, with respect to dispositions of California real property interests that occur on or after January 1, 2022, would provide that the transferee is required to notify the Franchise Tax Board and remit the applicable withholding amount, as described above, only to the extent that an intermediary or accommodator has received amounts from the disposition of California real property and has not disbursed those amounts for the purpose of completing an exchange or exchanges, as specified. The bill would authorize the Franchise Tax Board to prescribe rules, guidelines, procedures, or other guidance to carry out the purposes of these provisions and exempt those rules, guidelines, procedures, or other guidance from the rulemaking provisions of the Administrative Procedure Act. **Chapter Number:** 67

**Summary:** Existing property tax law generally requires the county auditor, in each fiscal year, to allocate property tax revenues to local jurisdictions in accordance with specified formulas and procedures, and generally requires that each jurisdiction be allocated an amount equal to the total of the amount of revenue allocated to that jurisdiction in the prior fiscal year, subject to certain modifications, and that jurisdiction's portion of the annual tax increment. Under existing law, "annual tax increment" is defined as the difference between the total amount of property tax revenue computed each year using the equalized assessment roll and the sum of the amounts allocated pursuant to specified provisions. This bill would specify that for purposes of calculating the annual tax increment, including for purposes of apportioning property tax revenues, commencing with the 2022–23 fiscal year, the equalized assessment roll shall exclude aircraft assessed values, as provided. The bill would also direct any counties that did not exclude aircraft assessed values from the equalized assessment roll prior to the 2022–23 fiscal year to exclude aircraft assessed values from the equalized assessment roll for the 2021–22 fiscal year solely for purposes of determining the annual tax increment for the 2022–23 fiscal year. **Summary:** Existing law, the Healthy Workplaces, Healthy Families Act of 2014, entitles an employee who works in California for the same employer for 30 or more days within a year from the commencement of employment to paid sick days. Under existing law, an employee accrues paid sick days at a rate of not less than one hour per every 30 hours worked, subject to certain use, accrual, and yearly carryover limitations. Existing law requires the Labor Commissioner to enforce the act and provides for procedures, including investigation and hearing, and for remedies and penalties. This bill would provide for COVID-19 supplemental paid sick leave for covered employees, as defined, who are unable to work or telework due to certain reasons related to COVID-19, including that the employee has been advised by a health care provider to self-quarantine due to concerns related to COVID-19. The bill would entitle a covered employee to 80 hours of COVID-19 supplemental paid sick leave if that employee either works full time or was scheduled to work, on average, at least 40 hours per week for the employer in the 2 weeks preceding the date the covered employee took COVID-19 supplemental paid sick leave. **Summary:** Existing law, the Alcoholic Beverage Control Act, administered by the Department of Alcoholic Beverage Control, regulates the application, issuance, and suspension of licenses for the manufacture, distribution, and sale of alcoholic beverages. Existing law provides for the issuance of licenses for which various fees, including renewal fees, are charged depending upon the type of license issued. Existing law, for the purpose of providing economic relief to licensees most severely impacted by the COVID-19 pandemic, authorizes the department to waive license renewal fees, as defined, for licenses that expire between March 1, 2021, and February 28, 2023, inclusive. Existing law provides that the waiver of license renewal fees applies only to specified license types that were active, as defined by the department in its guidelines, between March 1, 2020, and December 31, 2020, inclusive. Existing law requires a licensee who requests a fee waiver to certify under penalty of perjury that they qualify for the waiver. Existing law establishes procedures for the apportionment of state funds to these local educational agencies. Existing law, for purposes of calculating apportionments for the 2020–21 fiscal year, requires a local educational agency to offer in-person instruction and authorizes these agencies to offer distance learning, as specified.
