Do YOUR Part and Back the PAC
CONTRIBUTE TODAY

You look after your clients’ interests, but who is looking out for your professional interests?

Decisions are made every day in Sacramento that significantly impact the way you and your firm operate, represent your clients, what you can and cannot do with your license and—ultimately—your bottom line.

FOR THE COST OF A CUP OF COFFEE A WEEK, YOU CAN INVEST IN SAFEGUARDING YOUR PROFESSION’S FUTURE.

The CPA voice MUST be heard.

Our success depends on a Legislature that understands the important services CPAs provide.
CPA-PAC helps ensure that the voice of the CPA profession is heard.

WHAT IS CPA-PAC?
CPA-PAC is the CalCPA member-managed political action committee that supports legislators and candidates, regardless of party affiliation, that understand the importance of the profession. Your voluntary contributions help CPAs remain well-connected to the decision makers at the Capitol who impact your professional and personal lives.

WHY DOES MY CONTRIBUTION MATTER?
Recent changes in California’s political dynamics have made many elections a high-stakes race that is more competitive and more expensive. Every dollar counts.

Your contributions enable CPA-PAC to support candidates who recognize the role CPAs play in California’s economy and will provide the profession an opportunity to voice its position on matters of public policy impacting the profession and their clients.

WHY GET INVOLVED?
Next year, just like in years past, CPAs will be faced with legislative and regulatory proposals that will impact your ability to practice and provide high-quality services to your clients.

In the midst of California’s constantly changing political and business climate, now is a perfect opportunity to invest in the CPA-PAC to increase the profession’s visibility in the political arena.

HOW DOES CPA-PAC FIT INTO CALCPA’S ADVOCACY FRAMEWORK?
CPA-PAC is a vital tool that works in conjunction with CalCPA’s Government Relations program and member grassroots outreach. CPA-PAC allows CPAs to participate in the political process at the local level by supporting public officials through financial support and attendance at local events.

HOW DO I MAKE A CONTRIBUTION?
To contribute or find out more about CPA-PAC, visit CalCPA’s website:

WWW.CALCPA.ORG/PAC
or call the Government Relations office: (916) 441-5351

The CPA voice MUST be heard.

For the cost of a cup of coffee a week, you can invest in safeguarding your profession’s future.
